SPM results day checklist

Print this and keep it with your exam entry slip. Dates are from the 2025 cycle unless stated. Check KPM's 2026 results statement for this year's times.

Before results day

- Find your exam entry slip and write down your angka giliran: _____
- Write down your IC number without dashes: _____
- Take a photo of both and keep it on your phone.
- Follow KPM's official website and social media accounts for the results date.
- Only trust links ending in moe.gov.my. Ignore forwarded "media statements".
- Note any application deadlines you care about (matriculation, UPUOnline, Form 6, private colleges).

On results day

Method	What to do
At school	Collect your slip from 10am (2026 timing). Bring your IC.
Online	Go to myresultspm.moe.gov.my, enter IC number and angka giliran, click "Semak Keputusan".
SMS	Send SPM, your IC number and angka giliran to 15888, in the format KPM gives.

- Save a screenshot or PDF of your result.
- In 2026, the online and SMS checks stayed open for about a week (10am 31 March to 6pm 6 April).

If something goes wrong

- Site slow: wait a few minutes, try SMS, or try later that day.
- Details not found: check for dashes in your IC number and for a 0 typed as an O.
- Still stuck: contact your school's exam office. Private candidates contact their JPN.
- A grade looks wrong: talk to your school, then check LP's notice on requesting a review (semakan semula). There is a time limit and a fee per subject.

After results

- Missed a pass in Bahasa Melayu or Sejarah: ask your school about SPM Ulangan (held in July in 2026).
- Matriculation: check matrikulasi.moe.gov.my.
- Form 6: check your offer at sst6.moe.gov.my.
- Public university asasi or diploma: apply through UPUOnline before the deadline.
- Private foundation or A-Levels: contact each college directly.
